Questions for discussion

1. Discuss what it means to store up treasures in heaven. What are the results of storing up treasures in heaven versus living according to the flesh? How might you use this in ministering to a believer who is living a sinful life? How might you witness to a non-believer using Galatians 6:8?
2. How can you gain encouragement from the choice to refuse to grow weary in doing what is right before the Lord? Galatians 6:9
3. How can you serve others in the week to come?
