**Questions to Consider**

- What is your favorite memory of Christmas decorations or lights?
- How does darkness make you feel (for example, when power is lost)? How do you feel when the light comes back on?
- Our world is a very dark place. In what ways do the “Christmas lights” we discussed make a difference today?
- We know that darkness and light cannot exist in the same space. How does spiritual light dispel spiritual darkness?
- Practically speaking, in what ways can we let our light shine for Jesus this Christmas season? What can we personally do, say, or how can we act so that our light shines the brightest?
- How can we as a church let our congregation’s light shine brighter this Christmas season? What can we do?
