Questions for Discussion

1. Why was it important to Paul to find out what the apostles in Jerusalem thought of his message?
2. What difference did it make whether Titus was required to be circumcised or not?
3. How do people today add things to the gospel message? How does Paul characterize the people who wanted to add to the gospel (v. 4)?
4. What was the reaction of the apostles?
5. What does their reaction indicate about how we should respond to people who wish to add requirements to the gospel today?
6. When was the last time you shared the gospel with someone?
