### **Questions for Group Discussion**

1. As you think back over this series, what stands out to you most? What did you learn that you didn't know? What did you hear that surprised you? Was it what you expected? Why or why not?
2. Why is it that we spend so much time understanding God's Word and so little time putting it into practice? Why do you think there is such a disconnect in our lives? How can we correct it?
3. Looking at the suggestions for putting this series into practice in life (bullet points above) which one are you doing the best at? Which one is the hardest? Which one needs the most work in your life?
4. If someone asked you, "What does the future hold?" what would you say? How might you be able to use what you know from this series to turn everyday conversations to Christ?
5. If you knew beyond a shadow of a doubt that Jesus were coming back tomorrow what would you do differently today? Why wait?
6. Who are you praying for that needs Jesus? How are you going to invite them to church, to group, or to a conversation about the Lord?
