Questions for discussion

1. What do you say to the person who says that God would never send any person to hell? How do the examples given in Jude contradict that false idea?
2. What have you learned about false teachers in our study of Jude that challenges you to read and study God’s Word?
3. What should be our attitude to those who practice any form of immorality? How can we explain that we are not engaged in hate speech when we disagree with their sinful lifestyle?
