Questions for discussion

1. Can you think of any man made religious laws that have no support from the Bible? How can these ideas influence negatively a person's understanding of the way to eternal life?
2. How does Acts 2:22-24 show that God is sovereign to work out his plan regardless of the actions of sinful people?
3. What are your thoughts about the glory of Jesus as you think of this miracle of healing as recorded in John 5:1-18?
