Questions for Discussion

1. When it comes to Bible study, memorization, or simply regular Bible reading, why do you think it is so hard to do it regularly?
2. Why do you think a person must be willing to submit to God’s wisdom in order to know it? What might be intended from Solomon mentioning the ear, heart and voice?
3. How did the message today change your understanding of James 1:5 with reference to praying for wisdom?
4. How can we apply Solomon’s instruction to search for wisdom “as for hidden treasure”?
5. Explain the relationship between searching for wisdom and finding God.
