Questions for discussion

1. How can we see the love of God in the triumphal entry into the city of Jerusalem? Consider Romans 5:8 and John 3:16 in your answer. How might we use this story in sharing Christ with others?
2. The people of Jerusalem missed their opportunity in regard to their Messiah and were thus to face the consequences (Luke 19:41-44). From your knowledge of the Bible what are the consequences of those who refuse to accept Jesus today?
3. How do we know that the praise given to Jesus was not sincere on the part of most of the people (Luke 19:37-38; John 19:14-15)? How might a believer give praise to the Lord and it not be genuine?
