Questions for discussion

1. How might Romans 11:33-36 encourage you as a believer when you do not seem to be able to make sense of the difficulty you are experiencing? Relate this to Proverbs 3:5-7. How might this encourage you to continue to be faithful to the Lord?
2. How does the statement “**Christ, in whom are hidden all the treasures of wisdom and knowledge**” (Colossians 2:3), encourage you to take a strong stand against errors that are taught by the cultists and other teachers of false religions?
